

Cherry Beach Stewards - July 2022

Hey there gang,

It's summertime, and the living is easy. Here's Nancy enjoying her first swim. **Let's swim and picnic at the beach!** Wear swim gear under your clothes, bring water shoes, and you'll be ready to throw yourself in as soon as we're done stewarding. It's heavenly!

Superheroes Unite!

This month we'll be battling the arch villains of the gardening world - phragmites and knotweed. They're bullies that form monocultures. It takes a league of super heroes to defeat them.

Caterpillar Count on Sun July 17, after stewarding from 10:30-11:30. Join us!
